

# INTRODUCING THE AIR BOTSWANA BOARD OF DIRECTORS

**Air Botswana** is pleased to introduce its Board of Directors. The Board of Directors of Air Botswana plays a pivotal role in steering the national airline towards sustainable growth, operational excellence, and enhanced stakeholder value. Comprising a diverse group of seasoned professionals, the Board brings together a wealth of experience across various sectors, including aviation, finance, law, business administration, and strategic management.

The appointment of the Board members reflects Botswana Government's commitment to ensuring that Air Botswana is well-positioned to deliver on its mandate. The Board's collective expertise is instrumental in supporting competitive strategic objectives of the airline, overseeing their implementation, and navigating the dynamic avenues of the aviation industry. With a strong focus on governance and accountability, the Board is dedicated to upholding Air Botswana's mission of providing safe, reliable and efficient air transport services, while contributing to Botswana's broader development goals.
